PROFESSIONAL EXPERIENCE

UX Design, URBN Tech

March 2025 - September 2025

URBN (Urban Outfitters, Free People, Anthropologie, Nuuly)

Philadelphia, PA

- Led the end-to-end redesign of mobile web filters, **boosting task success by 30%** through streamlined filter structure, intuitive labeling, and state logic validated by usability testing
- Designed the translated review flow by integrating Apple's Translations API, creating a seamless experience that enabled European customers to contribute more reviews and strengthened social proof across markets
- Integrated AI tools into the design workflow to transform Figma concepts into coded prototypes, **accelerating UXR testing by 45%** and enabling faster iteration of production-ready designs
- Managed cross-functional alignment across Brands, Engineering, and Product teams to ensure on-time design delivery and secured stakeholder buy-in through strategy presentations and developer-ready spec handoffs

Digital Analyst, Anthropologie

April 2024 - September 2024

URBN (Urban Outfitters, Free People, Anthropologie, Nuuly)

Philadelphia, PA

- Designed and executed A/B tests, driving a **17% lift in overall digital platform performance** by increasing click-through rates and conversion rates across mobile and web
- Presented mobile optimization strategies to leadership, delivering data-backed recommendations that enhanced checkout flow, app usability, and customer engagement
- Analyzed customer behavior using Google Analytics 4 and Excel to identify friction points to optimize the digital customer journey and improve engagement across North America and Europe, partnering with Marketing, Merchandising, Creative, and Central Tech

Solutions Engagement Release Train Engineer, J&J Pharmaceuticals

April 2023 - September 2023

Johnson & Johnson

Raritan, NJ

- Led Agile delivery of the Janssen Experience Platform for Pulmonary Arterial Hypertension, ensuring on-time sprint execution and alignment with business and clinical goals
- Boosted Salesforce Platform squad productivity **by 12%** through data-driven metrics tracking, Jira workflow optimization, and leading structured stand-ups
- Organized and hosted a North America iConnect showcase, highlighting Q2 projects and recognizing high-performing colleagues, increasing cross-team visibility and engagement

PROJECT EXPERIENCE

URBN Hackathon: Nuuly Friends & Followers | Design & Marketing

July 2025

- Collaborated with a cross-functional team to design and prototype social discovery features ("Friends & Followers") for Nuuly's app, including feeds, blended closets, and closet sharing to drive engagement, retention, and organic growth
- Selected as a **Top 5 project out of 20** and approved by URBN executives for implementation by FY27, supported by detailed user flows and a business case demonstrating long-term impact

Conceptual feature (under NDA) | Johnson & Johnson | Experience design

July 2023 - August 2023

- Conducted **3** user interviews using low-fidelity wireframes in Figma, synthesizing feedback to improve user experience by **16%** and increase user action by **12%**
- Co-developed the final presentation deck pitched to business partners, highlighting the design process, high-fidelity prototype, and strategic project summary
