PROFESSIONAL EXPERIENCE

Product Designer & Digital Consultant

January 2026 - Present

Self-employed

Remote

- Led a four-day UX audit of a two-sided creator marketplace, translating competitive and heuristic findings into five redesigned core user flows in Figma and coded interfaces with Claude Code
- Redesigned the visual hierarchy, information architecture, navigation, and logo for an astrology app, reducing cognitive load and supporting its App Store launch
- Designed and developed a responsive marketing website and visual identity for an early-stage biotech startup, creating an investor-facing experience used to support pitch presentations
- Worked directly with founders to translate business goals and user needs into high-fidelity interfaces, prototypes, and live digital experiences across three early-stage products

UX Designer, URBN Tech

March 2025 - September 2025

URBN (Urban Outfitters, Free People, Anthropologie, Nuuly)

Philadelphia, PA

- Increased task success by 30% by redesigning filter flows, selection logic, interaction states, and edge cases across four retail brands; all eight participants completed the task in a follow-up usability test
- Designed a mobile web review translation experience for four retail brands using Apple's Translation API, enabling customers to read product reviews in their preferred language
- Reduced design iteration time by 45% by turning Figma concepts into coded prototypes with AI-assisted tools and checking the output against interaction requirements
- Designed and documented a reusable desktop toggle component for URBN's design system, defining consistent interaction behavior and implementation requirements
- Partnered with Product and Engineering through Agile delivery, creating specifications and redlines, participating in sprint reviews, and conducting design QA on the implementation

Digital Analyst, Anthropologie

April 2024 - September 2024

URBN (Urban Outfitters, Free People, Anthropologie, Nuuly)

Philadelphia, PA

- Analyzed A/B tests for Anthropologie's North American and European digital experiences, using Excel and GA4 funnel data to assess how changes to the shopping journey affected customer behavior
- Presented test findings and UX recommendations every two weeks to stakeholders across Product, Marketing, Creative, and Technology
- Developed a mobile commerce strategy presentation using competitor benchmarks and prior test findings to recommend improvements to Anthropologie's mobile shopping experience

PROJECT EXPERIENCE

URBN Hackathon: Nuuly Friends & Followers | *Design & Marketing*

July 2025

- Placed in the top five of 20 URBN Hackathon teams by designing and prototyping social discovery features for Nuuly, including activity feeds, blended closets, and closet sharing

Conceptual feature (under NDA) | Johnson & Johnson | *Experience design*

July 2023 - August 2023

- Conducted three usability studies using low-fidelity Figma prototypes, synthesized findings into design improvements, and co-presented the final high-fidelity concept to business stakeholders
